Coastal Expo report-

This was the second year for Coastal Expo, and COT again participated. We were inside this year and saw many more visitors. Since it was cooler, folks were more willing to spend time talking with us, resulting in several fall intern training applications walking out with potential candidates.

Extreme Hummingbird Extravaganza-

GCBO is asking for volunteers for September Saturday mornings from 8:00 a.m. to noon. A volunteer sign-up sheet was circulated, and you can call Karen McBride at (979) 480-0999 if you would like to help.

INEOS -

The fall schedule may be accessed on the TMN Web site.

The business meeting was closed at 9:15 a.m.

John Boettiger and John Thayer presented Advanced Training in the use of the GPS.
