peteromfh@tmn-cot.org

Examples of approved volunteer activities:

- Participation in an advisory capacity at planning meetings
- Flora and fauna studies including bird surveys
- Water quality and environmental monitoring
- Leading or assisting with educational groups and tours
- Creating nature trails, displays, interpretive signage, or other related activities
- Preparing nature and environment related educational materials
- Organizational functions in support of the above. .

Examples of non-approved volunteer activities:

- Attending or participating in any political or civic meeting as a representative of Texas Master Naturalists. You may participate, but only as a concerned citizen.

Note: it is anticipated that most TMN-COT volunteer activities performed pursuant this VPAL will be located at the Parks & Rec headquarters or the planned Pearland Nature Center. However, this applies to any Pearland property located in Brazoria County and contiguous counties.
