Houston, TX 77058

Phone: 281-218-8100

Cell: 281-989-5517

VMS CODE – RM: Land/Plants

TMN-COT Coordinator

To be determined at project initiation

Examples of approved volunteer activities:

- Native seed and specimen collecting and storage
- Plant propagation and planting
- Flora and fauna studies including bird surveys
- Documentation of survey findings including photography
- Wetlands measurement and surveys
- Water Quality measurement and monitoring
- Administrative functions in support of the above. .

Note: it is anticipated that most TMN-COT volunteer activities performed pursuant this VPAL will be located at the two Brazoria County TCWP restoration sites. However, this applies to any TCWP property located in Brazoria County and contiguous counties.
