

Texas Master Naturalist Program Cradle of Texas Chapter Volunteer Project and Activity List

United States Fish & Wildlife Service National Wildlife Refuge System

This VPAL applies to all wildlife refuges and wildlife refuge units controlled by the the Texas Mid-Coast National Wildlife Refuge Complex. For maps and contacts at individual units, see page 2.

Note: Before you can participate in any volunteer activity at any USFWS property, you must complete a "Volunteer Service Agreement." Each agreement is valid for one year, and must be renewed annually. You may download a copy of the agreement, with instructions, at <http://bit.ly/USFWS-VSA>

TIMESHEET CODES

Please enter the following codes in the "Partners
Or Events" column of your TMN-COT timesheet.
